All rooms and apartments have been exquisitely designed in such a way as to provide all modern conveniences while at the same time affording spectacular views of the island's natural beauty.

Comfortable, beautifully furnished apartments with 2,3,4 or 6 beds meet the requirements of the most discerning guest. And the Corfu Club is air-conditioned throughout, so there's no need to worry about those particularly hot days.

All apartments have TV, telephone, music and fully equipped, highly functional kitchen and bathroom.

When relaxation comes first on your list of holiday priorities, the Corfu Club is the ideal solution. Surrounded by magnificent, extensive gardens with myriad flowers of all colours and long hours of bright sunshine, an inviting swimming pool is the perfect place to sunbathe, read that book or just chat.

Among the nearby beaches from which you can swim is the one at Gouvia (a 10 min. walk) and the Imperial Palace Beach at Kommeno (20 mins on foot). Further afield you will find a number of beautiful beaches at different spots around the island, Paleokastritsa, Aghios Georgios, Glyfada, Aghios Gordis are just some of the attractive beaches on the north-west side of the island. The beaches of Sidari, Roda, Acharavi, Kassiopi, Nissaki, Barbati, Ipsos and Dassia are on the north-east coast.

The Corfu Club is situated roughly in the centre of the island, in an area known as Tzavros, 8 km. from the town of Corfu.

Transport from here to town and back is frequent.

In this area, not far away, are two large supermarkets and the most famous bakery in Corfu.

In Corfu town you can visit the two old Venetian fortresses and admire its splendid, traditional atmosphere.

Shopping is a delight in the town's lively market.

You will find plenty of tavernas and restaurants at Gouvia and in the area of Dassia, as well as in other parts of Corfu.
