Choose the hotel on an "all inclusive" is not accepted. Provide vacation needs in specific places, the more that you can find exclusive hotels for a rest. If you want to ski in the Swiss Alps, then select "Badrutts" in St. Moritz. And from the London Hotel Ritz in town, maybe do not go. It is not exactly at the Hotel Ritz, many celebrities such as Coco Chanel, and lived all his life. Paris, mecca of high cuisine, more famous lines in the restaurants with the boss. But you can simply choose a hotel where the famous chef. Moreover, for Russian clients, it offers a special menu. Ethnic glamor in the style of Marlene Dietrich and Alfred Hitchcock - is La Mamounia in Marrakesh. And for those who are not afraid of winter, who are glad and merry company merznet not even the night in the ice - an ice hotel.

St. Moritz - five stars village

The resort of St. Moritz on the number of people living there is considered to be residents of the village. However, it is the only village in the world where there are five five-star hotel. The oldest and the best of them - Badrutt`s Palace.

This hotel - part of the "beautiful" scenery of St. Moritz. Badrutt`s Palace is located in the heart of the village. He stands on the hill, in its own park on the shores of scenic Lake St. Moritz. Ask why the Badrutt`s Palace so lucky, why he got such a good place? The point is that the Badrutt`s Palace - the first mountain hotel in the winter this place.

History began in 1856 when Johannes Badrutt, subsequently became the first owner of the Hotel Badrutt`s Palace, and gave him his name, bought the St. Moritz in the 12-room bed and began to invest in infrastructure for a winter mountain vacation. In particular, he built the place for curling (the most fashionable winter fun at the time) and first in the world sunny descent. In 1883, the son of Johann Caspar Badrutt rebuilt board on the first level in the Swiss hotel Palace.

Official opening of Badrutt`s Palace took place in 1896. Later, near the hotel had been built tennis courts, night club, disco, swimming pool, fitness center and kids club. Now Badrutt`s Palace, four restaurants. In the main, with French cuisine, is a famous chef Enrico Derflinger, who among other things a dozen restaurants that received three-star Michelin, as well as the Orient Express restaurant.

Near and shopping: boutiques Pucci, Giorgio Armani, Louis Vuitton, Jil Sander, Dolce & Gabbana (all in two steps, we recommend Pucci with its famous ski suits). Spoken in St. Moritz a special way - by a mixture of Italian, French, German. Beginning sentence in Italian, continued in French, complete in German. But it is not scary - in this year's reception at the hotel will be two counselors who speak in Russian.

Explain that you can do in St. Moritz in winter, I think, do not. Here, firstly, there is skiing, a mountain, and not the mountain. A variety of types of slopes for all levels. They feel fairly beginners and masters. A hotel has its own ski school, where you can hire a personal trainer. Plus, most new-hire of ski equipment - delivery to the room at any time of day. Guests Badrutt`s Palace sadly there is no need to trudge to the lift - they will bring in a minibus on the slope. Finally, the only hotel directly on the client side of this year will set up a café with hot mulled wine and snacks.

Secondly, there is a bobsled track, which held the largest event in this sport. The track at St. Moritz - the oldest, it was built back in 1904. It is not only the oldest but also the world's only entirely made of natural ice. Every corner, fold the track has its own name. There are, for example, the corner of speaking the name of "Evil" - one of the most dangerous areas on the trail, the place where Bob is going broke just on vertical wall. That I was able to find out in mid-January this year in person in international amateur competitions in bobsleigh, organized by Omega. The route are used not only for the official competition, but also for exclusive trips. Do not upset if you never went down to the bobsleigh. In bobe, the price of which is twice the price of Lamborghini, you go with the pilot.

From here the pilot and fly by helicopter - to thoroughly examine the majestic mountains. Do Badrutt`s Palace has its

In the fifth, you can simply sunbathe and drink toddy, grog or hot tea. Morning at the lake to make beds with heavy blankets of sheepskin and put a tent with provisions. Here you buy a mug of grog, swamp in lounge and sunbathe. Sit and lie down so you can at least all day. Just do not forget sunglasses and a mountain effect (on the sun warm, pripekaet, but is moving away into the shadows - and once you understand: winter).

If you decide to go to St. Moritz from Zurich is not a car, a train (this is a very beautiful, no worse than a trip to the Orient Express), be sure to agree that you met at the station. Visit Rolls-Royce.
